Focus Group Forest Practices & Climate Change

Dr. Guido Schwichtenberg 26th April, 2018 – Brussels, Belgium

> Forstliche Versuchsund Forschungsanstalt Baden-Württemberg

DEUTSCHER

Waldklimafonds

aufgrund eines Beschlusses des Deutschen Bundestages

Outline

- WORKFLOW OF THE EIP-AGRI FG
- 1ST WORKSHOP IN LJUBLJANA
- THE MINIPAPERS
- 2ND WORKSHOP IN SANTIAGO DE COMPOSTELA
- OUTLOOK

Workflow of the EIP-AGRI Focus Groups

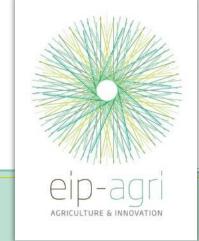

Gelordert durch:

Bundesministerium für Ernähung und Landwrtschaft und natleare Sicherheit aufgrund eines Beschlusses des Deutschen Bundestages

1st Workshop in Ljubljana, Slovenia

- 20th 21st June 2017
- Starting paper (Marcus Lindner, EFI)
- Objective of the FG: Identifying
 - Main challenges and opportunities
 - New practices and tools
 - Needs of forest managers
 - Possible synergies and trade-offs between mitigation and adaptation
 - Examples of practices and tools
- 5 different breakout sessions
- List of Minipaper topics

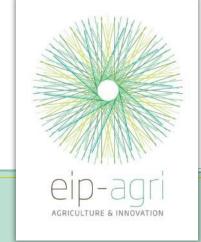

The Minipapers I

- 1. Effective communication for Mitigation of Climate Change and Adaptation to its Impacts
- 2. Implementing adaptation strategies through economic incentives
- 3. Prevention, Early Warning and Innovative Risk Management
- 4. Climate smart silviculture & genetic resources
- 5. Integrated management of forested landscape in the face of climate change

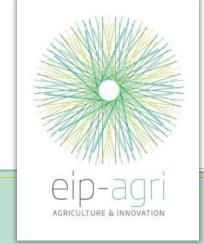

The Minipapers II

- 6. Knowledge exchange through platforms, networks, or competence centers that link research, practitioners, industry and forest owners
- 7. Decision Support Systems & Tools
- 8. Techniques and practices to manage fire risk in the forest
- 9. Innovative Wood-based Value Chains "shift to smart wood"
- 10.Small scale forest management

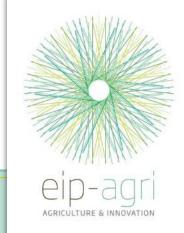

2nd Workshop in Santiago de Compostela, Spain

- 22nd 23rd November 2017
- Flash presentations and discussions of the minipapers
- Developing ideas for Operational Groups (OG)
- 7 ideas for OG were fleshed-out
- List of the 6 most important research needs from practice for final report

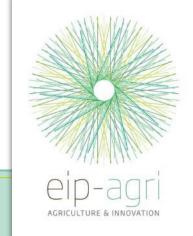

Outlook

- May June: Final report, incl.
 - Presentations
 - Factsheets
 - Minipapers
- Afterwards:
 - Translations
 - Disseminating the FG results
 - Operational Groups
