### Annex 1: General conditions

#### Article 1 Performance of tasks

- 1.1. The Contract shall be performed under the highest professional standards.
- 1.2. Neither Contractor nor any person performing tasks under the Contract shall represent EFI or behave in a way that would give such an impression.
- 1.3. Nothing in this Contract is intended to make, nor shall it make, EFI the employer of Contractor or of any person performing tasks under the Contract.
- 1.4. All communication between the Parties relating to administration of the Contract will be in English.

#### Article 2 General payment terms

- 2.1. The currency for the Contract is euro (EUR). When necessary, costs shall be converted to euro using the monthly accounting rate for the month in which the cost is incurred as stated on <http://ec.europa.eu/budget/inforeuro/>.
- 2.2. Payment shall be made by EFI within 30 calendar days from receiving invoice, but in any case only following approval of output/deliverables, when such approval is a precondition for payment.
- 2.3. The obligation for EFI to make payments under the Contract shall end eighteen (18) months after final acceptance by EFI or Guyana Forestry Commission, unless the Contract is terminated before that in accordance with these General conditions.
- 2.4. Contractor undertakes to refund to EFI any amounts paid by EFI to Contractor for tasks to be performed and outputs to be delivered which at the date of termination of this Contract have not been performed or delivered (“amounts paid in advance”). Contractor undertakes to refund to EFI amounts paid in advance, within seven (7) days of termination of this Contract. EFI may recover the balance of any amounts paid in advance not refunded as a debt due and payable by Contractor to EFI.
- 2.5. The Contract price is all-inclusive and EFI will therefore not in addition to this price pay any taxes, costs relating to social security or similar costs. Contractor is liable for, and shall pay taxes, social security contributions and any other charges in accordance with legislation applicable to Contractor.
- 2.6. Contractor commits to respect applicable legislation with regard to any payment received from EFI, in particular regarding taxation, social security matters and working rights. EFI may inform any tax authority or other authority about any payment made under this Contract.

**Article 3 Accounts, archiving, access and financial checks**

- 3.1. Contractor shall keep accurate, systematic, and regular records and accounts of the implementation of the Contract, ensuring accurate, complete, reliable and timely information. Financial transactions and financial statements shall be subject to Contractor's internal and external auditing procedures.
- 3.2. Contractor shall allow EFI, the UK Foreign, Commonwealth & Development Office, or any their authorised representatives, to conduct desk reviews and on-the-spot checks in relation to the Contract on the basis of supporting accounting documents and any other document related to Contract. Contractor will cooperate to the fullest extent with such desk reviews and on-the-spot checks.
- 3.3. For a period of 7 years from the end date for implementation and in any case until any on-going audit, verification, appeal, litigation or pursuit of claim, has been disposed of, Contractor shall keep and make available all relevant financial information (originals or copies) related to the Contract.
- 3.4. Contractor agrees that EFI and the UK Foreign, Commonwealth & Development Office, or any their authorised representatives, may carry out investigations, including on-the-spot checks and inspections, for the protection of the financial interests of EFI and the United Kingdom against fraud, corruption and any other illegal activity.
- 3.5. Contractor undertakes to provide EFI and officials of the UK Foreign, Commonwealth & Development Office and their authorised agents, upon request, information and access to any documents and computerised data concerning the technical and financial management of operations financed under the Contract (including making copies thereof), as well as grant them access to sites and premises at which such operations are carried out. The documents and computerised data may include information that Contractor considers confidential. Contractor shall take all necessary measures to facilitate these checks. Documents must be accessible and filed in a manner permitting checks, Contractor being bound to inform EFI, the UK Foreign, Commonwealth & Development Office of the exact location at which they are kept.

**Article 4 Financial reporting**

- 4.1. The Contractor shall submit a brief and precise financial report with all requests for payment (invoices), except for in relation to pre-payments.
- 4.2. All financial reports shall:
  - be stated in English;
  - be laid out in such a way as to allow comparison with the Budget (Annex 3). The level of detail should match that of the Budget. The final financial report

shall also include a summary of all fees, reimbursable cost and per diems claimed under this Contract; and

- include copies of the supporting documentation related to the reimbursement of costs and payment of per diem;
- 4.3. The final financial report shall in addition to the requirements in article 3.2. include a declaration by an accountant, confirming that the financial report is based on official bookkeeping and the costs have been incurred in accordance with the terms set to their use in this Contract with EFI, and the provisions thereof.
- 4.4. The Contractor can instead of submitting the declaration foreseen in article 3.3. send EFI all originals of supporting documentation, relating to claims for reimbursement of costs and per diem under this Contract.
- 4.5. The Contractor shall provide further information in relation to any financial report or parts of it if requested by EFI, within a time limit that EFI shall set. If such further information is not provided by the Contractor within this time limit, EFI shall be absolved from any obligation to make payments relating to that financial report.

#### **Article 5 Conflict of interest**

- 5.1. Contractor shall when performing the tasks act in the best interests of EFI, safeguarding EFI's good reputation and reliability.
- 5.2. Contractor undertakes to take all necessary action to prevent, avoid and resolve any conflict of interest.
