Grant process G-01-2021

EFI Network Fund, Towards A Harmonised European Forest Monitoring System

Questions and answers

Question 1	The call for grant G-01-2021 - EFI Network Fund, Towards A Harmonised European Forest Monitoring System is A TENDER?
Answer for question 1	Call for grant G-01-2021 is not a tender process, it is a grant process

Question 2	<ol style="list-style-type: none">1. What are the eligible costs from the lump sum once approved, i.e. since this is a networking project, what are the foreseen expenditures esp. in view of the Covid-19 situation and the inability of people to travel?2. Given the nature of the project, it would be a benefit to include major European bodies dealing with environmental issues (e.g. EEA). If they cannot be full partners (depending on their EFI status) is it possible to form an advisory board/stakeholder group to aid the project with their expertise?
Answer for question 2	<ol style="list-style-type: none">1. The grant is a lump sum grant. Beneficiaries will not have to justify costs as eligible.2. Proposals can be made within the boundaries set by the Call for grants and Grant submission guidelines

Question 3	What expenses are eligible? Only travel and accommodation, or also salaries?
Answer for question 3	The grant is a lump sum grant. Beneficiaries will not have to justify costs as eligible.
