|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Question 1 | <p>How to understand this criterion:</p> <p>"Applicant is affiliated with an EFI member organization (Associate or Affiliate Member), with membership not suspended".</p> <p>Do I need to approach someone to get affiliated? If so, do I need to have a letter of support or something similar from them?</p> |
| Answer for question 1 | <p>Affiliated means associated with the EFI member organization in a formalized way. For this, each Applicant will need to submit a written confirmation, signed and dated by a representative of the EFI member organization.</p> |

| Question 2 | <ol style="list-style-type: none">1. If I well understood the deadline for the proposal will be 31/06/2022. Is it right? And in this case at which time?2. Second, there are only 5 grants. An eligible proposal could be accepted for the presentation even if without the grant award?3. Any suggestions on tools (apps or one preferential software) for making the video properly? |
| Answer for question 2 | <ol style="list-style-type: none">1. Deadline is 30 June 2022, 23:00 UTC2. The grant is the opportunity, including financial support, to give the presentation. No other opportunity for presentation is provided.3. No guidance on tools for making the video is provided. |
