

CONTRACT NOTICE

General

Title: European-wide societal survey on citizens' perceptions regarding urban trees, urban forests and urban green space

Procurement procedure: Open

EFI procurement reference number: 8-15.2.2020-CLEARING HOUSE-survey

Value: EUR 80,000 or less

Date for publishing: 18 September 2020

Subject

European Forest Institute (EFI) is coordinating the Horizon 2020 research project "CLEARING HOUSE" (<http://www.clearinghouseproject.eu>) that looks into the multiple benefits of urban forests and urban trees for urban populations.

Insights into the perceptions of citizens related to urban trees and citizens' demands towards ecosystem services provided by urban trees and urban forests are critical for effective design and implementation of urban forests.

The assignment is to conduct a survey on citizens' perceptions regarding urban trees, urban forests and urban green space using a web-based questionnaire for a representative sample of European individuals (representativeness at national level in 33 European countries).
